## MOST RECENT EXPERIENCES

### **Kofa Goods, Gaithersburg, MD — *Graphic Designer(Part-time)***

JAN 2022 - PRESENT

- Spearheaded the development of Kofa brand's visual identity, collaborating with non-design stakeholders to ensure alignment with company vision.
- Successfully branded and launched the e-commerce store, integrating it with payment processor, social media platforms and Google Analytics to optimize performance.
- Created a wide range of print & digital deliverables for all brand channels, maintaining a consistent and visual appeal.

### **Capital One Bank, Remote — *Graphic Designer (Contract)***

AUG 2022 - SEPT 2022

- Designed logos and identity packages for two internal brands, ensuring clarity and cohesion in their visual representation.
- Designed signage for corporate offices aligning with brand guidelines and enhancing corporate environments.
- Collaborated closely with our creative director and diverse stakeholders to produce high-quality design solutions under tight deadlines.

### **National Association of Realtors, Remote — *Production Graphic Designer (Contract)***

APR 2022 - JULY 2022

- Produced print and digital materials for NAR's national campaigns, ensuring consistency and visual impact across various channels.
- Managed multiple design projects simultaneously, while adhering to brand standards and deadlines.
- Teamed up with designers and stakeholders of different levels to deliver effective design solutions that met campaign objectives.
